Procedural Order Re: February 15, 2024 Request for Extension

The Commission issued a procedural order on February 2, 2024, which required the New Hampshire Department of Energy (DOE) to file a proposed procedural schedule, including a deadline for its supplemental technical statement, on or before February 15, 2024. On February 15, 2024, the DOE filed a letter requesting an extension of this deadline based on recent changes in its consultant's schedule. The DOE did not propose a new deadline, but stated that it "anticipates being able to provide new proposed schedules to the Commission promptly" According to the DOE, neither Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty nor the Office of the Consumer Advocate objected to its request.

The DOE shall file a proposed procedural schedule, which includes a deadline for its supplemental technical statement, on or before March 12, 2024. No further extensions of this deadline will be permitted without a showing of good cause.

So ordered, this twentieth day of February, 2024.
