ELECTRIC AND GAS UTILITIES

**Investigation of Energy Commodity Procurement
(Renewable Portfolio Standard, Default Service Electric Power, Cost of Gas)
Methodology and Process**

Procedural Order Re: Request for Hybrid Hearing and Requests to Participate

On September 6, 2022, the Commission issued an order of notice scheduling a prehearing conference on October 5, 2022, and setting a September 20, 2022, deadline for requests to participate by interested parties. Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) filed a request on September 15, 2022, for its Director of Electric Supply, Jim Shuckerow, to appear remotely at the October 5 prehearing conference due to personal health concerns that Eversource requested not to be disclosed. As Eversource has provided good reason for Mr. Shuckerow to appear remotely, this request is hereby GRANTED, as well as Eversource's request for nondisclosure. A hybrid hearing format will be used for the October 5 prehearing conference to accommodate Mr. Shuckerow only. Any other participants or witnesses wishing to appear remotely at the prehearing conference are required to file a separate request.

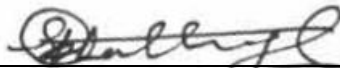

Timely requests to participate were filed by the following entities: the New Hampshire Department of Environmental Services; Colonial Power Group, Inc.; NRG Retail Companies; Community Power Coalition of New Hampshire; Berlin Station, LLC; Constellation NewEnergy, Inc. and Constellation Energy Generation, LLC; and Conservation Law Foundation. Additional requests to participate were filed by Clean Energy New Hampshire on September 22, 2022, and Granite State Hydropower

Association on September 23, 2022. The Commission hereby GRANTS the foregoing requests to participate in this docket.

So ordered, this twenty-seventh day of September, 2022.

Daniel C. Goldner
Chairman

Pradip K. Chattopadhyay
Commissioner
