(Renewable Portfolio Standard, Default Service Electric Power, Cost of Gas)
Methodology and Process**

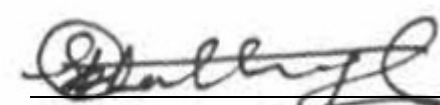

Procedural Order Re: Request to Reschedule Technical Session

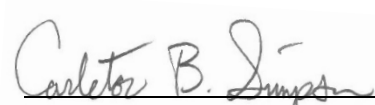

The Commission issued a procedural order on February 21, 2023 rescheduling the three-hour technical session in this docket, which the Commission will attend, to February 28, 2023. On February 23, 2023, the New Hampshire Department of Energy (DOE) filed a request on behalf of many, but not all, of the docket participants to reschedule the February 28 technical session. The DOE stated that key DOE staff will be unable to attend the February 28 technical session due to longstanding travel plans for that week, and other participants may also have scheduling conflicts.

Due to the limited time remaining before the February 28 technical session, the Commission waives the 10-day objection period under New Hampshire Code of Administrative Rules, Puc 203.07(e). *See* N.H. Admin. R., Puc 201.05. The DOE's request to reschedule is GRANTED, so that the technical session is rescheduled to April 13, 2023, starting at 9:00 a.m.

So ordered, this twenty-fourth day of February, 2023.
