

**STATE OF NEW HAMPSHIRE
PUBLIC UTILITIES COMMISSION**

DE 22-056

JAMES RODIER

**Petition for Determination of Whether New Hampshire Residential Customers
Have Benefited from Electricity Deregulation**

Procedural Order Re: Closing Docket

On November 10, 2022, in Order No. 26,722, the Commission dismissed without prejudice a filing by James Rodier that sought a Commission determination of whether New Hampshire residential customers have benefited from electricity deregulation. On December 27, 2022, in Order No. 26,754, the Commission denied Mr. Rodier's motion for reconsideration of Order No. 26,722. A review of this docket indicates that no further action by the Commission is necessary and the docket is therefore closed.

So ordered, this ninth day of February, 2023.
