Procedural Order Re: Rescheduled Prehearing Conference

On February 21, 2023, the Commission rescheduled the prehearing conference in this docket to March 3, 2023 because of anticipated inclement weather on the originally scheduled date. On February 22, 2023, the petitioners in this docket filed a request to reschedule the March 3, 2023 prehearing conference on the grounds that their attorney will be out of the country and will therefore be unable to participate. The petitioners proposed several alternative dates for the prehearing conference to which both the New Hampshire Department of Energy and the Agape Community Church assented. However, the remaining party in this docket, the New Hampshire Department of Environmental Services, took no position on the rescheduled date because it apparently does not intend to appear at the prehearing conference. As all parties who intend to participate have assented, the Commission reschedules the prehearing conference to April 5, 2023, at 1:30 p.m. The prehearing conference shall be conducted in person, in accordance with the hearing guidelines issued on December 9, 2022.

So ordered, this twenty-third day of February, 2023.
