Procedural Order Re: Proposed Procedural Schedule

The Commission approves the assented-to proposed procedural schedule filed by the New Hampshire Department of Energy (DOE) on August 22, 2023. Consistent with that proposal, the currently scheduled August 31, 2023 hearing is CANCELLED. In its place, the Commission schedules a hearing on December 19, 2023, from 1:00 to 4:00 p.m. The hearing will be conducted in-person and in accordance with the previously issued hearing guidelines. If additional time will be required, the parties should notify the Commission within ten days from the date of this order.

The Commission notes that the proposed schedule includes a technical session on November 9, 2023, but does not include the time at which the technical session will occur. To allow the Commission to accurately calendar the technical session, and avoid potential scheduling conflicts, the Commission requests that the DOE file a notice with the assent of the parties indicating the time at which the technical session will occur by August 25, 2023.

So ordered, this twenty-third day of August, 2023.
