Procedural Order Re: Reopening Docket

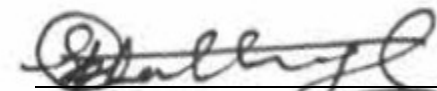

Following the issuance of a letter of tariff compliance on September 8, 2023, the Commission issued a procedural order closing the above-captioned docket on September 13, 2023. On November 1, 2023, Unitil Energy Systems, Inc. (UES) filed a request to reopen the docket to accept its filing relating to a tariff page UES stated was inadvertently omitted from its August 9, 2023 tariff compliance filing. UES did not indicate the New Hampshire Department of Energy's (DOE) position regarding this request.

The Commission waives New Hampshire Code of Administrative Rules, Puc 203.07(e), and GRANTS UES's request to reopen the docket. UES's November 1 filing will be accepted for the Commission's consideration in this docket. The DOE is requested to submit any response it may have to UES's November 1 filing on or before November 17, 2023.

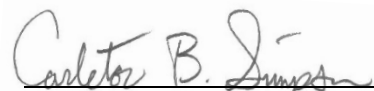

So ordered, this third day of November, 2023.
