

**STATE OF NEW HAMPSHIRE
PUBLIC UTILITIES COMMISSION**

DE 23-068

ELECTRIC AND GAS UTILITIES

2024-2026 Triennial Energy Efficiency Plan

Procedural Order Re: Motion to Reopen Docket

On November 30, 2023 the Commission issued a final order in this matter. On January 5, 2024 the Commission issued a procedural order closing the docket. The procedural order indicated that no further action from the Commission was necessary and therefore the docket would close. The procedural order further indicated that it was permissible for the utilities to continue to file reports into the docket for information purposes only. The filing of reports to be posted in the docket would not cause the docket to be reopened. On January 10, 2024, the utilities filed a motion requesting the docket be reopened for the submission of filing interim program updates and routine reporting. See January 10, 2024 Motion at 3.

The motion to reopen the docket is denied. The Commission's practice is to close dockets when no further action is required by the Commission. In this docket, the closing order referenced that interim reports from the utilities would continue to be docketed in DE 23-068.

So ordered, this thirty-first day of January, 2024.
