**NORTHERN UTILITIES, INC.**

**Petition for Approval of Revenue Decoupling Adjustment Factor**

**Procedural Order Re: Proposed Amended Procedural Schedule**

On November 21, 2023, the Commission approved a procedural schedule in this docket, which included a hearing on January 23, 2024. On December 29, 2023, the New Hampshire Department of Energy (DOE) filed an assented-to request to amend the procedural schedules to: (1) allow the parties to both conduct additional discovery and file position statements; and (2) reschedule the hearing from January 23, 2024 to February 2024.

The Commission APPROVES the DOE's assented-to amended procedural schedule. Consistent with that schedule, the Commission CANCELS the hearing in this docket on January 23, 2024. In its place, the Commission schedules a hearing on February 29, 2024 from 1 p.m. to 4 p.m. The hearing will be conducted in person, in accordance with the previously issued hearing guidelines. If additional time will be required, the parties are requested to notify the Commission within ten days from the date of this order.

So ordered, this fifth day of January, 2024.
