PUBLIC UTILITIES COMMISSION**

**DG 23-086**

**NORTHERN UTILITIES, INC.**

**Petition for Approval of Revenue Decoupling Adjustment Factor**

**Procedural Order Re: Motion for Hybrid Hearing**

On February 7, 2024, Northern Utilities, Inc. (Northern) filed a motion to permit its witness Elena S. Demeris to participate remotely at all hearings held in this proceeding, including the hearing on February 29, 2024. Northern represented that Ms. Demeris has a health condition that results in mobility issues and is thus unable to travel to Concord to appear in-person. No party objected to Northern's motion. The Commission finds good cause to allow Ms. Demeris to participate remotely during all hearings in this docket, including the upcoming hearing on February 29, 2024. Accordingly, the Commission GRANTS Northern's motion to convert all hearings in this docket to hybrid hearings and to allow Ms. Demeris to participate remotely at all hearings. The filing of a separate request will be required for any other parties or witnesses wishing to appear remotely.

So ordered, this twentieth day of February, 2024.
