Request for Change in Rates

Procedural Order Re: Live Excel Sheets

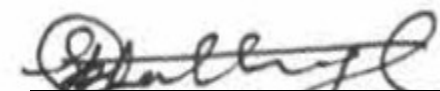

On November 21, 2023, Pennichuck Water Works, Inc. (PWW) submitted its rate case filing in this docket. The supporting attachments included schedules that appear to have been created in MS Excel and converted into PDFs. The Commission directs PWW to submit live MS Excel versions, avoiding any hard-coded numbers, of all schedules that were created in MS Excel and later converted to PDFs. In addition, PWW should identify input sources through clear references and formula links across associated files. The Commission directs PWW to comply with this requirement by December 15, 2023.

Going forward in this rate case, the Commission directs PWW to submit live MS Excel files for all PDF attachments that originated in MS Excel.

So ordered, this fourth day of December, 2023.
