NEW ENGLAND POWER COMPANY D/B/A NATIONAL GRID

2023 CTC Reconciliation Report

Procedural Order Re: Request for Recommendation

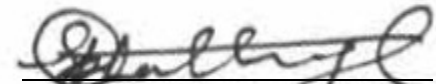

On January 30, 2024, New England Power Company d/b/a National Grid (NEP) filed its annual report on the reconciliation, for the period of October 2022 through September 2023, of the Contract Termination Charge (CTC) to Granite State Electric Company, now Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities. The New Hampshire Department of Energy (DOE) has previously filed recommendations as to whether the annual CTC rate had been properly determined. See, e.g., Docket No. DE 23-008.

Therefore, the Commission requests that the DOE review NEP's filing and file a recommendation in this docket addressing whether the CTC rate has been properly determined and whether any further action by the Commission is necessary. The Commission requests that the DOE file its recommendation no later than March 15, 2024.

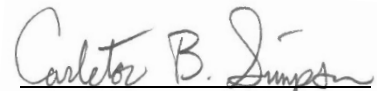

So ordered, this fifteenth day of February, 2024.
