Order Nisi Modifying Statement of Generally  
Available Terms and Conditions

O R D E R N O. 24,129

February 28, 2003

On April 12, 2002, the Commission issued Order No. 23,948 in this docket, setting rates for Loop Conditioning in Verizon's Statement of Generally Available Terms and Conditions (SGAT), and ordering a phase-out of those rates over a three-year period.

During the course of a related docket, Docket No. DT 02-228, regarding Multiple Loop Conditioning, Commission Staff became aware that a scrivener's error had occurred in Order No. 23,948. As a result, the loop conditioning rate contained in Order No. 23,948 is higher than the rate that would have been produced by modifying Verizon's submitted cost study in DT 01-206 pursuant to the order. We have been advised by Staff that the error resulted in a relatively small dollar difference, and therefore a retroactive change is not recommended as the administrative cost of the change would outweigh the savings.

We issue this order to correct the error, with the correction to take effect 30 days after this order is issued.

Loop conditioning rates shall be:

<i>EFFECTIVE DATE</i>	<i>18k-21k ft</i>	<i>&gt;21k ft</i>
[30 days], 2003 - Dec 31, 2003	\$ 256.98	\$ 341.24
Jan 1, 2004 - Dec 31, 2004	128.49	170.62
Jan 1, 2005 - beyond	0.00	0.00

**Based upon the foregoing, it is hereby**

**ORDERED NISI**, that subject to the effective date below, Loop Conditioning rates are revised as set out above; and it is

**FURTHER ORDERED**, that Verizon file revised SGAT pages in compliance with this order, no later than ten days before the effective date; and it is

**FURTHER ORDERED**, that the Commission shall cause a copy of this Order Nisi to be published once in a statewide newspaper of general circulation, such publication to be no later than March 10, 2003 and to be documented by affidavit filed with this office on or before March 24, 2003; and it is

**FURTHER ORDERED**, that all persons interested in commenting on this rate reduction be notified that they may submit their comments or file a written request for a hearing on this matter before the Commission no later than March 17, 2003; and it is

**FURTHER ORDERED**, that any party interested in filing comments or requesting a hearing shall do so no later than March 24, 2003; and it is

**FURTHER ORDERED**, that this Order Nisi shall be effective March 28, 2003, unless the Commission provides otherwise in a supplemental order issued prior to the effective date.

By order of the Public Utilities Commission of New Hampshire this twenty-eighth day of February, 2003.
