Order Nisi Approving Resale Agreement

O R D E R N O . 24,155

April 11, 2003

On March 4, 2003, Verizon New England d/b/a Verizon New Hampshire (Verizon) and EliteView LLC, d/b/a Groveline LLC (Groveline LLC) filed with the New Hampshire Public Utilities Commission (Commission) a Resale Agreement (Agreement) negotiated pursuant to Section 252(e) of the Telecommunications Act of 1996 (TAct), 47 U.S.C. § 252(e).

Groveline LLC has before the Commission an application for authority to serve as a Competitive Local Exchange Carrier (CLEC) in New Hampshire. Groveline LLC was certified as a Toll Provider (CTP) under IXC No. 03-011-03 dated March 20, 2003.

This Agreement establishes terms for the discounted purchase of Verizon telecommunications services for resale by Groveline LLC to retail customers. Business and residence services are provided to Groveline LLC at a percentage discount from the Verizon tariff rates.

Section 252(e)(2)(A) of the TAct requires the Commission to approve a negotiated agreement unless it is determined that the Agreement or some portion of it discriminates against a telecommunications carrier not a party to the agreement

or that the implementation of the Agreement would not be consistent with the public interest, convenience, and necessity. 47 U.S.C. § 252(e)(2)(A). We will approve this Agreement Nisi and invite interested parties to submit comments or request a hearing regarding effects on third parties and the public interest.

**Based upon the foregoing, it is hereby**

**ORDERED NISI**, that the Agreement negotiated between Verizon and EliteView LLC, d/b/a Groveline LLC is APPROVED; and it is

**FURTHER ORDERED**, that any clause in the Agreement found to be in violation of any Commission order is null and void; and it is

**FURTHER ORDERED**, that Groveline LLC is prohibited from placing any orders under the Agreement and from otherwise doing business in New Hampshire until such time as Groveline LLC has complied with all requirements of applicable federal and state law or regulation including but not limited to CLEC certification; and it is

**FURTHER ORDERED**, that the Petitioner shall cause a copy of this Order Nisi to be published once in a statewide newspaper of general circulation, such publication to be no later than April 21, 2003 and to be documented by affidavit filed with this office on or before May 5, 2003; and it is

**FURTHER ORDERED**, that all persons interested in responding to this petition be notified that they may submit their comments or file a written request for a hearing on this matter before the Commission no later than April 28, 2003; and it is

**FURTHER ORDERED**, that this Order Nisi shall be effective May 12, 2003, unless the Petitioner fails to satisfy the publication obligation set forth above or the Commission provides otherwise in a supplemental order issued prior to the effective date.

By order of the Public Utilities Commission of New Hampshire this eleventh day of April, 2003.
