PUBLIC UTILITIES COMMISSION**

DE 15-062

NEW ENGLAND POWER COMPANY d/b/a NATIONAL GRID

Petition for License to Cross the Connecticut River in the Town of Littleton

**Summary of Order *Nisi* No. 25,897
Amending Order No. 25,838 And Granting Licence**

May 9, 2016

On May 9, 2016, the Commission issued Order *Nisi* No. 25,897, which granted a motion by New England Power Company d/b/a National Grid (NEP) to alter the construction of a crossing over and above the Connecticut River in Littleton, New Hampshire, which the Commission previously licensed in Order No. 25,838 (Nov. 3, 2015). As a result, NEP will be permitted to construct a transmission tower on the New Hampshire side of the Connecticut River approximately 97 feet south by southwest from its originally licensed location. Commission Staff reviewed the motion and recommended that the license be granted subject to certain conditions. The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, are posted to the Commission's website at <http://puc.nh.gov/Regulatory/Docketbk/2015/15-062.html>.

All persons interested in responding to the Commission's action may submit their comments or file a written request for a hearing, which states the reason and basis for a hearing, no later than May 23, 2016. Any person interested in responding to such comments and requests for hearing shall do so no later than May 27, 2016. Following consideration of any comments and requests for hearing received, the Commission may further extend the final effective date of its order. The Commission's amended order *nisi* shall otherwise become final and effective on May 31, 2016, unless the Commission orders otherwise.
