TOWN OF LEE

Request for Approval of Lee Community Power Plan

Order Regarding Conditional Approval of Plan

O R D E R N O. 26,839

June 6, 2023

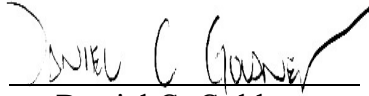

The Commission approved the Town of Lee’s (Lee) Community Power Electric Aggregation Plan (Plan) subject to the condition that its Education and Outreach Plan clearly communicate that participants’ exit from the Plan would require reasonable notice to the electric distribution utility, consistent with New Hampshire Code of Administrative Rules, Puc 2204.05(g). *See* Order No. 26,810 (May 2, 2023). On May 23, 2023, Lee submitted a filing stating that it had made this change to its Education and Outreach Plan. Lee also highlighted that existing language in the “Rate Setting and Other Costs to Participants” section of the Plan addresses the opt-out notice process. After reviewing Lee’s May 23 filing, the Commission has determined that Lee has satisfied the condition of Order No. 26,810.

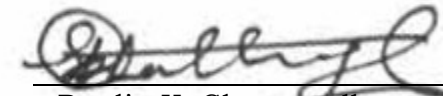

Based upon the foregoing, it is hereby

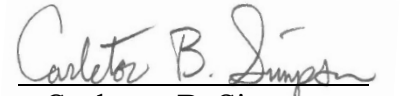

ORDERED, that the condition contained in Order No. 26,810 is satisfied by Lee’s May 23 filing; and it is

FURTHER ORDERED, that Order No. 26,810 is modified accordingly.

By order of the Public Utilities Commission of New Hampshire this sixth day of June, 2023.
