Public Service Company of New Hampshire d/b/a Eversource Energy  
Petition for Adjustment to Stranded Cost Recovery Charge Rate

Post-Hearing Record Request

Dear Attorney Fossum:

Following the hearing in the above-captioned matter, the Commission determined that it needs additional information to inform its deliberations in this docket. To that end, the Commission issues the following post-hearing record request.

Post-Hearing Record Request (Designated as Hearing Exhibit 5):

At the hearing, the Company briefly described the impact of removing from the calculation of SCRC rates the revenue requirement associated with the purchase of power from the Wood Independent Power Producers required by SB 365. Please provide a revised Exhibit 2 and a revised Exhibit 3 to demonstrate the calculation of rates, and the rate impact, of removing this revenue requirement from the calculation of rates.

Your prompt attention to this matter is appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
