Re: DT 18-191 Request for Approval of an Amendment to an Interconnection Agreement between Northern New England Telephone Operations LLC and Time Warner Cable Information Services LLC

Dear Mr. Meehan:

On December 20, 2018, Northern New England Telephone Operations LLC d/b/a Consolidated Communications-NNE ("CCI") filed a request for approval of an amendment to the Interconnection Agreement between CCI and Time Warner Cable Information Services LLC, under Section 252(e) of the Telecommunications Act of 1996. The amendment is to an agreement between Verizon and Time Warner Cable Information Services (New Hampshire), LLC, considered in Docket No. DT 05-081 and effective by operation of law on or about July 22, 2005.

Commission Staff filed a memorandum on January 10, 2019, recommending that the amendment to the interconnection agreement be allowed to go into effect by operation of law, 90 days after the date of the original filing.

The Commission has reviewed and approved Staff's recommendation. Accordingly, the amendment to the interconnection agreement shall be effective March 20, 2019.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".
