Re: DM 19-096, PGP Energy, Inc.
Application to Register as a Provider of Electric Aggregation Service

Dear Mr. Lulley:

On May 23, 2019, PGP Energy, Inc. (PGP) filed an application to renew its registration as a provider of electric aggregation service.

Commission Staff filed a memorandum on March 20, 2020 recommending that, because information required to complete the application was not provided within 60 days of Staff's request for that information, approval of PGP's registration application be denied, pursuant to N.H. Code Admin. Rules Puc 2003.06(e)(2), and that this docket be closed.

PGP's application for registration has been denied, pursuant to Puc 2003.06(e)(2).

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
