Re: DM 20-084, Resource Energy Systems, LLC  
Application to Renew Registration as Provider of Natural Gas Aggregation Services

Dear Mr. Plutzer:

On July 2, 2020, Resource Energy Systems, LLC (Resource Energy) submitted an application to the Commission to renew its registration as a provider of natural gas aggregation services.

Commission Staff (Staff) filed a memorandum on July 30, 2020, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that Resource Energy's registration renewal application be approved for a two-year term, beginning on September 7, 2020.

The Commission has approved Staff's recommendation. Accordingly, Resource Energy's application for registration renewal is approved, effective as of September 7, 2020. The renewed registration is for a term of two years and expires at the close of business on September 7, 2022. Pursuant to Puc 3003.06(a), Resource Energy must submit the next renewal application at least 60 days prior to the expiration of the approved registration term, on or before July 9, 2022.

Please be aware that registered providers of natural gas aggregation services are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".

Debra A. Howland  
Executive Director
