Re: DM 21-116, TruEnergy Services, LLC
Application to Renew Registration as Provider of Natural Gas Aggregation Services

Dear Mr. Jeffery:

On June 9, 2021, TruEnergy Services, LLC (TruEnergy) submitted an application to the Commission to renew its registration as a provider of natural gas aggregation services.

Commission Staff (Staff) filed a memorandum on June 25, 2021, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that TruEnergy's registration renewal application be approved for a two-year term, beginning on October 8, 2021.

The Commission has approved Staff's recommendation. Accordingly, TruEnergy's application for registration renewal is approved, effective as of October 8, 2021. The renewed registration is for a term of two years and expires at the close of business on October 8, 2023. Pursuant to Puc 3003.06(a), TruEnergy must submit the next renewal application at least 60 days prior to the expiration of the approved registration term, on or before August 9, 2023.

Please be aware that registered providers of natural gas aggregation services are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:

<http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".

Debra A. Howland
