LIBERTY UTILITIES (ENERGYNORTH) CORP. d/b/a LIBERTY

2021-2022 Winter Cost of Gas

Procedural Order Re: Updated Cost of Gas Filing

On October 19, 2021, Liberty Utilities (EnergyNorth) Corp. d/b/a Liberty (Liberty) filed updated version of its cost of gas (COG) in this docket. Liberty did not include with its filing, updated responses to the record request previously issued by the Commission in this docket. In addition, while Liberty filed a summary of changes between the original filing and the updated filing, an annotated version is necessary for the changes to be readily apparent in the updated documents. Liberty is therefore directed to provide, within two calendar days of this order, the following to the Commission and the parties:

1. Provide the updated live spreadsheets for all the updated COG schedules (COG Model) with all supporting work papers.
2. Provide all updated COG schedules in redline form to show any changes from the original filing.

The Commission reminds Liberty of its obligation to promptly update information provided to the Commission when circumstances change and modifications are made to requested rate relief. This obligation is especially important in dockets where hearings and rulings are required in such short time frames.

Liberty shall provide the evidence described above on or before October 22, 2021, to the Commission and the parties to this docket.

So ordered, this twentieth day of October, 2021.

Chairwoman
