Re: DW 15-199, Abenaki Water Company  
Request for Change in Rates  
Notice of Commission Approval of Request for Extension of Time

To the Parties:

On December 22, 2017, Abenaki Water Company (Company) filed a request for an extension in connection with a one-time adjustment that may be made to the Company's Belmont sewer rates. Within the terms of Order No. 25,905 (June 3, 2016), the Company was granted until December 31, 2017 to adjust its Belmont sewer rates. However, in its letter, the Company advised the Commission that the City of Laconia had yet to determine its new 2018 rates, which would affect the Company's Belmont rates; the Company has not supplied new information regarding this matter since that time.

The Commission has determined that approval of the extension requested by the Company is in the public interest, and has elected to extend the deadline for the Company's Belmont sewer rate filing until June 4, 2018, at such time the Company may seek further extension if Laconia has yet to fix its new 2018 rates as of that time.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
