Re: REC 16-0297 Memorial Hospital-North Conway Application for Certification as a REC Eligible Facility-GIS ID NON58396

Dear Mr. Kingsley:

On December 13, 2016, the Commission received an application from you requesting Class I Thermal Renewable Energy Certificate approval for the Ensyn Fuel Inc.'s (Ensyn Fuel) thermal facility at Memorial Hospital, Conway, New Hampshire. The owners of the facility are not interested in installing the metering system required by Puc 2506.04, and Mr. Kingsley has requested that this docket be closed.

Therefore, Staff has recommended that the Commission close REC 16-297. Accordingly, Docket No. REC 16-0297 has been closed.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".
