**Re: IR 18-062 Investigation of Utility Poles and Attachments
Storm Damage and Response Issues
Extending Filing Deadline for Staff Report**

To the Parties:

On December 17, 2018, Commission Staff (Staff) filed a letter requesting that the Commission extend the deadline for Staff to file a report of its findings, conclusions, and recommendations regarding this investigation. Staff described the status of the investigation to date and the steps necessary to bring it to conclusion. Staff indicated that additional time would be required to complete and file its report and requested that the filing deadline be extended until January 28, 2019.

For the reasons stated in Staff's letter, the Commission has approved the request for an extension of the filing deadline. Accordingly, Staff's report is due January 28, 2019.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".
